

The New A Little Lifetime Foundation Virtual Remembrance Quilt is a beautiful way of remembering and acknowledging a life.

It offers you the opportunity to place a patch in memory of a/your child. If you have look at the patches that are already placed on the Virtual Quilt; simply move your mouse over each patch and a message will appear, this will give you the opportunity to see how it works.

If you would like to place a patch on the Quilt, you will need to do the following:

We have provided a selection of patches for you to choose from, just click on "Book Patch" to open the booking form. Choose the patch you prefer and then provide relevant information.

You are required to give your name and email address (this will not be included on the patch displayed on Quilt). The child's name and his or her date of birth and death. If you are remembering a baby who was not given a name then you can use a family name or take this opportunity to name your baby.

You also have the opportunity to write a message to or in memory of the person you are remembering. You will then be requested to send your chosen patch and relevant information to A Little Lifetime. We will check that information is relevant and appropriate and then place your patch on the Quilt.

There is no charge for placing a patch on the A Little Lifetime Foundation Remembrance Quilt.

If you have any queries/difficulties about placing a patch please make contact with us on 01 882 9030 or by email to info@alittlelifetime.ie
